WHO IS THE HBBA?

The Hawthorne Boulevard Business Association is a voluntary organization of business people working together to promote the general business welfare of the Hawthorne area. The HBBA organizes marketing efforts, maintains communication between businesses, and provides an important voice representing Hawthorne business concerns to local governments and the community.

WHY JOIN?

Your dues and participation help to promote Hawthorne Boulevard to consumers and tourists through advertising, a website with a searchable business directory, and the popular annual Hawthorne Street Fair. Dues and volunteer activities enhance the image and desirability of the Hawthorne business district through beautification, safety, and community-building efforts.

Specific benefits of HBBA membership include expanded listings on the "Think Hawthorne" website, special rates for collective advertising, and opportunities to participate in networking events.
